# Annual Report

Respected President of today's function, honourable guests, trustees, members of the staff, other dignitaries, parents, and my dear students, with all reverence and humility towards Bhagawan I humbly place this annual report before you.

'Prashanthi' the word itself takes us to the world of tranquility. Eversince the school got registered in the year 2000, 'Prashanthi Vidya Kendra' trod only the path of success.

Brimming care by Bhagawan Sri Sathya Sai Baba coupled with selfless service of management, staff, students, sai devotees and the magnanimity of generous hands brought the school come up and to stand in the verge of decennial celebrations.

The institution feels proud to say that, inspite of admitting average students, it has achieved 100% results in all the previous years so far.

'A' grade awarded by the institute of Sathya Sai Education. Dharmakshetra-Mumbai in a survey of Sai Schools all over India, definitely serves an added fur in the X<sup>th</sup> Year.

## Genesis:

Blessed and inspired by the ideologies of Bhagawan Sri Sathya Sai baba, the institution Prashanthi Vidya Kendra has been founded in the year 2000 by some ardent devotees of Bhagawan. The 2.2. acres of land donated by Sri Hiranya Narayana Bhat and sons, the generosity of the Sai family members and the unstinted efforts of the management made us to appear colossal in front of you. The sole purpose of the institution is to provide quality education coupled with the ideologies of Swami. Each student should spread the fragrance of Bhagawan to the whole world. We strongly believe that our institution should become a platform to combat all the social issues and apartheid feelings of the people. Hence the golden words of Swami "Education is for life, not for mere living", keeps ringing in our ears. We vow to prepare students brimming with values in all the endeavours of the life.
