### Conclusion:

I have made special effort to be brief and to present only the highlights of this year's activities and achievements.

Our journey of success progressed this year with the abundant grace of the Almighty Bhagavan Sri Sathya Sai Baba and I bow my head for the Divine blessing showered on this institution throughout the year. Whenever we found ourselves at the difficult turn, we were guided by the great Sathya Sai Institutions, Alike.

The report will be incomplete without mentioning the guidance and leadership given by the team of management. The management believes in Swami's saying 'Helping hands are better than praying lips' and always takes special initiatives to assist their staff whenever they are in need of help.. They have also offered scholarship to the students who come from a humble background .The year 2018-19 has been a wonderful year of great achievements in the areas of scholastic and co-scholastic activities. This is made possible only with the commitment and dedication of the entire staff of our school.

Dear Parents, I wish to express our thanks and appreciation for your overwhelming support. I express special word of thanks to all our well wishers and benefactors who have contributed generously.

The challenges of our mission and pursuit of perfection never ends. Let us altogether enlighten and truthfulness prevail. I conclude the report with a famous Chinese proverb "All the flowers of all tomorrows are in the seeds of today".
