

ANNUAL REPORT

2019-2020

Sri Anoop K.
Principal

Dear Readers,

School at a Glance:

At the outset, we offer our salutations to Bhagavan Sri Satya Sai Baba for his blessings which continue to guide, inspire and propel us towards a meaningful future. By His grace, our 20 years of service towards providing quality education since the inception in the year 2000 has made our entire dream come true.

We always remember and express our gratitude to our founder trustee, Late Sri Hiranya Narayana Bhat and his sons who donated 2.2 acres of land to establish this school in which has grown this wonderful and exciting centre of education.

I believe that the purpose of education is to replace an empty mind with an open mind. The direction in which education starts, a child will determine his future life. The whole object of education should be to develop the mind that works and, to free a child's potential by instilling in him a curiosity to learn, so that he will continue to learn as long as he lives.

It is my customary duty to present before you a brief roundup of the current academic session.

The Annual Report showcases the achievements and glories of our school, undoubtedly, but also makes us think deeply about our shortcomings. We have always been committed to create an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child's personality. We set standards and goals for ourselves and strive to achieve them – be it in the area of academics, sports, discipline, leadership and more.
