# ANNUAL REPORT

The year 2021-22 has been a challenging year. Due to the pandemic, the education sector all over the world has taken a big toll. The teaching and learning method have been shifted to online mode. It was really challenging for teachers, students, & parents. The main challenge to school was to ensure continuous unimpaired learning to all students. Teachers were confronted with a need of adopting themselves to online teaching.

By the grace of Bhagavan, we have successfully tackled all the unprecedented challenges posed by the pandemic and imparted the quality education to our students amidst of all shortcomings.

We always remember and express our gratitude to our founder trustee, Late Sri Hiranya Narayana Bhat and his sons who donated 2.2 acres of land to establish this school in which has grown this wonderful and exciting centre of education.

This year we have 277 students out of which 242 students reside in the hostel. They belong to different states of the country. In the year 2020-21, the school has secured AISSE EXAM 100% result.

## Sports and Cultural Events:

Prashanthi Vidya Kendra vehemently believes that education flourishes only through competitions. To foster creativity, competitive spirit and to develop the inherent and myriad talents of students. However, due to pandemic, CBSE hasn't conducted any intra school sports competitions this year.

As a result of the pandemic, children stayed indoors and that had resulted in lack of physical activity. Having understood the gravity of the problem, and to create awareness on the need of physical exercise for good health, the school has conducted an online yoga competitions to students.
