

ANNUAL REPORT

We offer our prayerful pranams at the divine lotus feet of Bhagavan Sri Sathya Sai Baba for being the life and breath of our institution since its inception in the year 2000. By his grace our school has completed 25 years of its service towards society. We have crossed many historic and momentous milestones during the past 25 years and today, our school is a dream destination for students, teachers and parents alike.

Starting with a small building in the 2.2 acres of land donated by Sri. Hiranya Narayana Bhat and sons, today the school is spreading across 10 acres of land, well equipped buildings and other amenities. More than 400 students from different parts of South India are studying here.

In the third year of its establishment, the school got affiliated to CBSE, New Delhi. In the academic year 2005-06 the first batch of 10th standard appeared for board examination and achieved 100% result and the saga of cent percent result continued thereafter. The school has participated in various district, state and national level sports meet, science exhibitions and cultural competitions and achieved significant success.

At Prashanthi Vidya Kendra, we set standards and goals for ourselves and strive hard to achieve them; be it in the area of academics, co-curricular activities, discipline, sports, leadership, values and more. We believe and respect all cultures of all communities and promote understanding and appreciation of their valuable heritage, culture and values. Apart from preparing the children purely to qualify academic demands, special efforts are being made continuously to inculcate 21st century skills in them and enable them to face the challenges of the competitive world as per the recommendation of CBSE and NEP. It's a matter of great importance to us that the students should carry forward the values they have inherited, excel in whatever they do and be role models for others in the society.
