Dear Students,

It is with a deep sense of pride and gratitude that we bid you farewell as you embark on yet another fascinating journey of your life. I hope that these years spent in our campus had been productive and now you are better prepared to accept the challenges of life. Swami has showered His grace profusely on all of you so that you would be able to go back to your place with a big smile on your face.

During your life in this school, we have given you what you needed for your academic progress and for your character formation. Moreover, we have given you the life lessons through which you can face any challenges that may come on your way towards fulfilling your aspirations. As students of our esteemed institution, please do remember that when you struggle, it is the struggle itself that will make you nobler and your life more meaningful. God upsets our plan to set up his plan for us because we see our present and plan for our future. But He sees our future and plans our present.

Now it is time to let you go and we do that with the same prayer that we had for you every morning when we saw you at the start of the day- that each of you reaches the fullness of life, achieve your dreams and make a mark in the world as a Prashanthian. Go forth and embrace your future with open arms, and enthusiastically pursue your own life journey of discovery. Render dedicated service to humanity and live a happy and peaceful life. May your dreams and the dreams of your parents come true.

When you rise up the ladder of success, which we dream of, keep us informed and share your joys with us, particularly with your teachers who have shown keen interest in your growth and well-being. There can be nothing more fulfilling for us than to see our students succeed in life.

We extend our congratulations to all endowment prize winners for your spectacular performance during your studies in the campus. It is also our duty to thank all the teachers, non-teaching staff, hostel staff and all our parents who have supported us to make this academic year a grand success. May Swami Bless us All!

Have you just completed 5th std? Are you looking for an another school ? Then, P.V.K Bayar is the best. It provides the best education. Looking into my own experience that I have improved a lot over the years in all aspects of education. When I joined Prashanthi I had trouble with reading and solving simple calculations and now I feel more confident.

I have been a student of PVK for 5 years. I have seen a lot of changes taking place in my life in last 5 years. A timid boy, now can stand on the stage in front of many people and proudly say that 'The world's Best School is My School'- Prashanthi

I have been a student of Prashanthi since 2019. I have never imagined that I would be a part of such a beautiful school. The campus is surrounded by the greenery and divinity is being felt in every nook and corner.

I am indebted to my teachers who have turned a mere stone into a beautifully carved statue. With grace of swami, I have had wonderful experience in this school. I thank Swami, my parents and teachers for giving a chance to study in such a wonderful school.

Prajwal Govi, X A

Prashanthi has been like a second home for us where we have spent most of our time. The teachers have been extremely kind and they always supported us throughout our learning phase. Manager sir, Principal sir and all teachers have always influenced us and motivated us to achieve the impossible. I am very sure that the lessons of life that we have learnt from this school would help us to climb the ladders of success while being humble and modest at the same time. Thanks to prashanthi.

The kindness and gesture of the management, the teaching and non teaching staff have shown to us is incomparable and we promise that we will land in the new world with positive approach and attitude. We will forever represent ourselves as the good ambassadors and messengers of this lovely school so that all our teachers can feel proud of us.

I have been studying in Prashanthi for past 2 years. I am really glad to express my feeling about Prashanthi. Prashanthi has changed my life in last 2 years. It has given me good education along with values for life. I would like to thank Manager sir, Principal sir, Warden sir, and all teachers and non-teaching staff for their contribution in my life.

Aditya S Kudache , X B

With the grace of Swami and with the blessings of parents and teachers, I have successfully completed my studies in Prashanthi. It has been a wonderful experience studying in this school surrounded by the beautiful hills. The teachers in Prashanthi are amazing and the learning atmosphere is competitive and explorative. Heartful thanks to Prashanthi for carving a beautiful statue out of a hard rock.

Vinayak R G, X B

I was a slow learner when I joined Prashanthi. It was really difficult to adjust to the system of Prashanthi. However, as I adjusted to the daily routine, I have found progressive changes in me and eventually started doing well in academics. Had I not been in this school, probably I would not have tasted this level of success. I thank Management, Principal, Warden, teachers, Kitchen brothers and all non teaching staff for everything they have done for me.

Vishwa S Y, X B

I have spent whole 5 years in this school. My parents had worries that whether I would be able to adjust to this school where most of the students come from Karnataka. Though I am a Malayali, I have been blessed with so much love and care by all my teachers and friends. Even I have learnt Kannada. It is like a home away from my home. Eyes become wet, heart becomes heavy to say 'Bye' to Prashanthi. We will never forget our Almamater.

Srinivasan , X A

When it was my turning point of my life I wondered being a bee of books is not of any use. So, I went on in search of every edge for a school which can give me an extraordinary comfort. I finally found Prashanthi where I could be the best and moved towards her. She stretched her arms and welcomed me with happiness. I played, learnt, experienced and enjoyed my days on her lap. Thanks to her for giving such wonderful experiences.

**THE
BEAUTY OF
MY
SCHOOL**

Located at the mountain top
Surrounded by the hills and trees
Far away from the seen
Prashanthi - the place of divine

Located on hills
Where we get knowledge and skill
And morality too rich
It is a school alone in the village
Surrounded by natural beauty
where teachers are gods
Students are disciples

The God has created Prashanthi
By his own hands for the welfare of students
We are lucky to have studied in this temple of Knowledge

ದೂರದಲ್ಲೊಂದು ಶಾಲೆ
ಅದುವೆ ಪ್ರಶಾಂತಿ ಶಾಲೆ
ನಿಸರ್ಗ ದೇವತೆಯ ದೇಗುಲ ಈ ಶಾಲೆ
ಹೆಚ್ಚು ಹಸಿರಿನಿಂದ ಸುತ್ತುವರಿದ ಈ ಶಾಲೆ
ಸರ್ವ ವಿದ್ಯೆಯನ್ನು ಬಲ್ಲ ಗುರುಗಳೇ ಅದಕ್ಕೆ ಬುನಾದಿ
ತಾಯಿಯಂತೆ ಪ್ರೀತಿ ಅವರ ಮನದಿ
ಹಿಡಿ ಹಿಡಿ ಪ್ರೀತಿಯನ್ನು ನಗುವಿನಂತೆ ಹಂಚುತಿರಲು
ಕುಣಿದು ಕುಪ್ಪಳಿಸಿ ನಾವು ಅದನ್ನು ಪಡೆಯುತಿರಲು
ಈ ಜೀವನವನ್ನು ನಿರ್ಜೀವಾಗಲು ಬಿಡದೆ
ವಿದ್ಯೆಯನ್ನು ಧಾರೆಯೆರೆದು ಜೀವನವನ್ನು ಎತ್ತಿ ಹಿಡಿದ
ಈ ನಮ್ಮ ಅಚ್ಚುಮೆಚ್ಚಿನ ಗುರುಗಳಿಗೆ
ಇದೋ ನನ್ನ ಕೋಟಿ ನಮನಗಳು
